

NOW IT'S THE ULTIMATE OUTDOOR KITCHEN

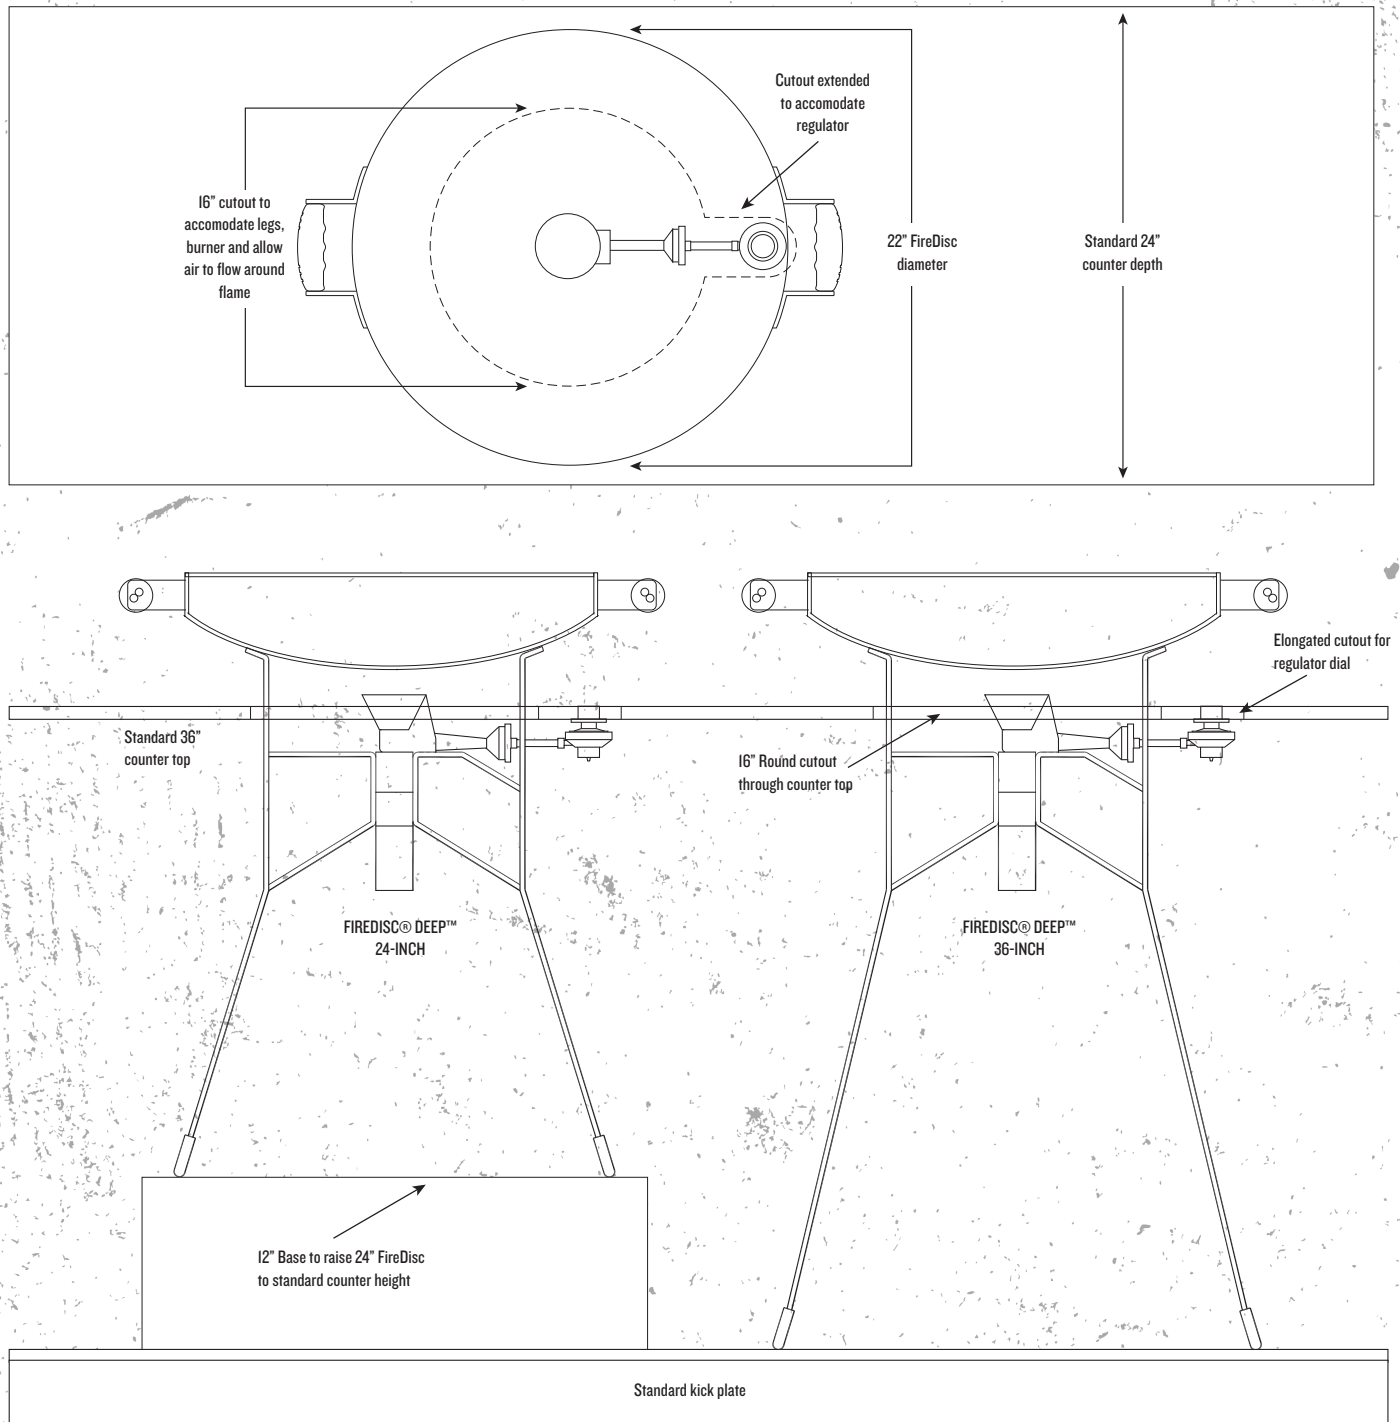

FIREDISC® DEEP™
36-INCH IN
FIREMAN RED

FIREDISC® DEEP™
24-INCH IN
JET BLACK

The FireDisc® was designed with the outdoor cooking in mind. Featuring corrosion resistant powder coating, a simple three piece design, sturdy carbon steel construction, it can dish out whatever you throw in it. From burgers to fish fries, and hot wings to steaks, it will handle it. ***FireDiscCookers.com***

FIREXDISC®
**BUILT TO HAUL,
COOKS IT ALL®**
