# THE FIREDISC COOKER IS A LOT OF THINGS. VERSATILE. DURABLE. PORTABLE. YOU CAN ADD CUSTOMIZABLE TO THAT LIST.

Tall FireDisc® Cooker in Fireman Red Powder Coating

The FireDisc® Cooker is the most versatile and portable propane cooker on the market. With the customizable Heat Ring® sticker you can add your company's logo to it. Featuring durable powder coating, a collapsible - mobile design, sturdy carbon steel construction, it can dish out whatever you throw in it. From beer brats to fish fry's, and hot wings to steaks, it will handle it.

Customizable Heat Ring® Sticker

We chose FIREDISC® Cookers for our custom logo program to give our customers another reason to buy our products - to cook with them! FIREDISC® consulted with their Executive Chef and provided restaurant quality recipes that could be made on the FIREDISC® with our liquor products! Customers are now going into stores requesting our liquors to make meals thanks to FIREDISC® program.
